# Chief's message

## Chief Troy Bergstrom

On behalf of the Roseville Police Department, I proudly bring to you this summary for 2022. Through this annual review, we'll provide:

- An overview of your Police Department
- Our workload metrics
- Crime and traffic statistics
- Accomplishments

The purpose of this annual review is to provide a snapshot of the effort done by your Police Department. Although comprehensive, it only scratches the surface to show all the great work done by our team. One thing is certain, our officers and professional staff have a strong commitment to keep our city safe and thriving.

### Community engagement

Using our strategic plan as our guide, we started 2022 with some significant initiatives. One of our top priorities was to re-engage with our community. This year, we returned in full force to our outreach programs including neighborhood meetings, National Night Out, resident and business police academies, Coffee with a Cop, Shop with a Cop, events in our downtown Vernon Street Square like Christmas Tree Lighting, Crime Stoppers Fun Run, Fourth of July Parade, Downtown Tuesday Nights, and many more. After a few years of pandemic-era virtual events, it was great to connect in-person.

### Staffing

As our community continues to grow, the City of Roseville has a strong commitment to ensure your Police Department maintains the staffing levels to meet the growing demands. Our internal Recruitment Team has been busy. As everyone has seen in the job market, recruiting new employees is a challenge across all job sectors. Even with those challenges, we have an unwavering commitment to bring high quality candidates to fill our open positions. Over the past year we added several new positions, including:

- Seven officers to our Patrol Division.
- Two sergeant positions to our Patrol Division.
  - The last sergeant position added to patrol was in 2003.
- One officer position to support our Professional Standards Unit.
  - This position will assist with pre-employment background investigations and work with our body worn camera program.
- One dispatch supervisor for our 911 Communications/Dispatch Center.
  - This fourth supervisor adds valuable coverage for emergency communications.
- One animal control officer to assist with our ever-growing ACO calls for service.
  - This is our first new ACO position since 1993.

## Infrastructure and equipment

To ensure we have the infrastructure and equipment to remain response ready, we initiated several projects over 2022 to upgrade and enhance our operations.

### 1. Firearms Range Training Facility

- In operation since 1998, this regional asset was in need of repair and maintenance. As the remodel plans are executed, this facility will continue to be a valuable training asset. Estimated completion 3/1/2023.

### 2. Command Post Vehicle

- A new joint Police and Fire Public Safety Command Post vehicle will replace our 20+ year old Mobile Command Post trailer. Estimated delivery 3/1/2023.

### 3. SWAT Armored Vehicle

- The Roseville-Rocklin SWAT Team has ordered a replacement armored vehicle. This regional asset will replace the current 15 year old vehicle. Estimated delivery 7/1/2023.

### 4. Real Time Crime Center

- The Investigations Unit is finalizing the software and hardware needs to expand our Real Time Crime Center (RTCC). The RTCC uses technology to assist law enforcement as we respond to in-progress calls and with follow-up investigations. Full operational estimate spring of 2023.

## Commitment to service

While adding staffing positions and making progress on large scale projects is exciting, we remain vigilant to our mission: safeguarding our community, protecting life and property, reducing crime, and enforcing the law impartially. As your Police Department, our job is to keep our community safe. This remains our top priority, as such, throughout this summary you'll see many of the key factors related to maintaining our high quality of life.

The staff of the Roseville Police Department are here day and night, keeping a watchful eye, making sure our city is safe. As our City grows, we're committed to working together to strengthen our police-community connections. We recognize this relationship is our best tool in keeping Roseville safe, and we can only do that with your support. I continue to be amazed at the many ways our community shows its appreciation of our Department and the men and women who call the Roseville Police Department home.

Thank you for your continued support in keeping Roseville safe,

# Neighborhood Associations & reporting districts

The City of Roseville is divided into 45 Neighborhood Associations that also act as police reporting districts.

A community organization called the Roseville Coalition of Neighborhood Associations or RCONA is comprised of representatives from each neighborhood. Neighborhood Officers are assigned to each neighborhood association with an effort to support Community Oriented Policing and Problem Solving (COPPS).

Annually the Police Department partners with RCONA to support police community relations and events. For more information about RCONA, visit their website [RCONA.org](http://RCONA.org).

# Budget summary

The Fiscal Year 21/22 approved budget for the Police Department totals \$54,739,410 from all funding sources and supports 223 full time equivalent (FTE) positions (153 sworn and 70 professional).

# Use of force

The Roseville Police Department tracks all instances when a peace officer employed by our Department uses force in the course of duty. In 2022 our officers proactively initiated contact or were dispatched to 67,509 incidents. Of those contacts 53, or .07% of all calls for service, resulted in an officer using force. Officers conducted 7,298 traffic stops with 3, or .04%, resulting in an officer using force.

**In accordance with state law, the Roseville Police Department must report to the California Department of Justice all use of force incidents resulting in serious injury or death. In 2022, the following information was reported to the California Department of Justice:**

- An incident that involves the shooting of a civilian by a peace officer: **0**
- An incident that involves the shooting of a peace officer by a civilian: **0**
- An incident in which the use of force by a peace officer against a civilian results in serious bodily injury or death: **1**
- An incident in which use of force by a civilian against a peace officer results in serious bodily injury or death: **0**

**In accordance with Department policy, we annually track and analyze all use of force incidents. The information from 2022 resulted in the following categories:**

- Total use of force incidents: **53**
- **46** incidents occurred while trying to arrest someone
- **16** of the **53** resulted in no injury or just a complaint of pain
- **31** of the **53** resulted in minor to moderate injury
- **1** of the **53** resulted in serious injury

# Citizen complaint reporting

**In accordance with state law, the Roseville Police Department must report to the California Department of Justice, all citizen complaints filed. In 2022, the following information was reported to the California Department of Justice:**

- Pending: **0**
- An incident in which a civilian files a racial and/or identifying complaint against a peace officer: **0**

# 2022 Accomplishments

Policing through 2022 continued to provide opportunities and challenges. The Roseville Police Department was successful at executing several major initiatives. Here are four of the signature accomplishments that highlight our resolve and commitment to improving the quality of life in our community.

## **ProQA- CAD Emergency Medical Assistance Software**

Roseville Police Department Dispatch implemented ProQA, an emergency medical assistance software program integrated with the existing Computer Aided Dispatch (CAD) system. The software guides the dispatcher through the pre-emergency medical assistance steps and replaces the previous flip cards on each workstation. The software provides more timely and accurate responses for citizens and responding Fire and Ambulance resources.

## **CAD to CAD Interface**

Roseville Police Department implemented a CAD to CAD system between our New World System and American Medical Response (AMR). This adjustment has shifted the 911 Communications Center away from a manual process to an automated process. The end result is the provision of more accurate and quicker Emergency Medical Dispatch (EMD) pre-arrival instructions and medical aid dispatch requests to AMR which are triggered as soon as the medical aid calls are started in CAD.

Both the ProQA- CAD Emergency Medical Assistance Software and the CAD to CAD Interface are very beneficial to the streamlining of processes and increasing efficiencies while providing better service to our community!

## **Grant funding to support training and traffic safety**

The Roseville Police Department Grants Team had a successful year in acquiring grant funding to support important areas of the organization. The Police Department received \$150,000 from the Department of Justice to support de-escalation training. The Department received \$175,000 from the California Office of Traffic Safety to support keeping our roads more safe. The Department received another grant from the Department
