NOTES

- 1) There is a hydroelectric adjustment in effect from July 2023 through June 2024.
- 2) Energy cost surcharge: effective February 1, 2023 to December 31, 2024. The energy cost surcharge is not applicable to senior citizen rate reduction, low-income rate reduction, and medical support rate reduction customers.
- 3) Rate closed October 1, 2018. Surplus energy compensation rates are subject to revision by City Council as energy prices and system requirements change.
- 4) The State of California allows electric utilities to implement a new solar buyback rate once solar exceeds 5% of the utility's system peak. Roseville Electric Utility now exceeds 5% solar. Per the City of Roseville Municipal Code, beginning October 1, 2018 customers will be enrolled in Roseville Solar 2.0. This change will not affect customers who installed solar before October 1, 2018 until 2028. Net Energy Metering customers will continue with net energy metering for up to 20 years (10 minimum) from the date of system interconnection. Surplus energy compensation rates are subject to revision by City Council as energy prices and system requirements change.
